## FINAL PLANS MADE BY THE COMMITTEE

Ward Meetings For Tonight to be Well Taken Care of With Speakers—Candidates Address Workers.

Great enthusiasm prevailed at the meeting of the democratic city committee and workers held at the headquarters in the Ostrander building Tuesday evening. The attendance was remarkably large.

In the absence of City Chairman William P. O'Neill the meeting was opened and presided over by C. K. Stevenson. The presiding officer informed the assembled democrats of the progress that has already been made by the city organization in the campaign and plans for the remainder of the campaign were gone into in detail.

Plans were completed for two large ward meetings to be held by the democrats this evening. A German meeting will be held in the Kronewitter coal office on S. Union st. This meeting is scheduled for 7:30 sharp, at which time the meeting will be addressed by the democratic candidate for mayor, Hon. Melville W. Mix. Following the address of Mr. Mix, the assembled democrats will be addressed in the German language by Charles Koepfen. While this meeting is especially for the German residents of the city, all democrats, particularly those of the first ward are urged to be present. Mr. Koepfen's address will be in German, but Mr. Mix will speak in the English language.

Another large ward meeting will be held this evening by the democrats in the third ward. This meeting will be in the third ward headquarters at the corner of Third and Center sts. Mr. Mix will also be a speaker at this meeting and several other addresses will be made in Flemish. A large attendance is expected at both of these meetings.

Plans were also completed for a large north side democratic meeting to be held in Winey hall on Thursday evening. Melville W. Mix will be the principal speaker of the evening, and will deal with the issues of the campaign and the plans of the democratic candidates for the city. More than he did in his speech delivered in the Textile building last week. Other speakers at this meeting will be James L. Kennedy, candidate for city clerk, Joseph Ganser, candidate for treasurer, J. Fred Bingham, candidate for city judge, David Burkhardt and E. L. Mason, candidates for councilmen-at-large, and Lieut. Gov. William P. O'Neill. The Woolen Company band will provide music at this meeting.

At last evening meeting there was a remarkably large attendance and a great deal of enthusiasm was manifested by all those present. Speeches were made by Mr. Stevenson, Mayor John A. Herzog, Duncan J. Campbell, David Burkhardt, Austin DeGroote and a number of others.

## WARD WORKERS FOR YOUNG DEMOCRATICS RALLY ARE SELECTED

Executive Committee Meets Tuesday evening and Further Rally Plans—Celebration to Be Monstrous Affair.

If the plans of the young democrats of Mishawaka materialize, the political rally to be staged by the Young Democratic Voters' club some day this week will be the most interesting celebration of the campaign. A meeting of the executive committee of the club was held in parlor A of the Mishawaka hotel Tuesday evening and further plans for the campaign and more especially for their rally were made.

The young democrats are very much interested in the outcome of the city campaign and are anxious to exert every effort to insure the election of Melville W. Mix for mayor and the entire democratic ticket. Every member of the executive committee was present at the meeting Tuesday evening and all were very enthusiastic. Plans for the rally to be conducted by the Young Voters' club were gone into in detail and various committees were selected to have charge of the various departments of the work of making a decided success of the undertaking.

While detailed plans for the monster celebration planned by the young democrats are being made, the exact date of the rally has not yet been definitely announced.

All the speakers for this rally have not been definitely selected, but it is assumed that Hon. George W. Sands of South Bend will deliver one of the principal addresses of the evening. Sen. B. F. Shively, who is a particular favorite in Mishawaka and with Mishawaka audiences is wanted by the young voters for at least a short address and an effort will be made to bring in some other prominent democratic orator of the state to complete the evening's program of speeches.

At last night's meeting the following committees for each ward were named to carry on the work of the Young Voters' club in their various precincts:

## LESS THAN 200 BOWLED FOR HIGH SCORE WED.

Toppling pins on the Ellsasser alley was extremely slow and no man in any league Wednesday bowled a double century score. House of the Matchers developed a little speed in the last game of the contest and rolled 190 the highest score of the evening. Pierce of the Ambidexters rolled steady and bowled the best average 170 1-3. In the city league Wednesday evening the city halls slipped over three straight games and nearly 400 pins on the totals of their contest over the Ambidexters. The Matchers in the South Bend Watch Co. league defeated the Adjusting squad on the totals for three games. The scores:

ROBERT G. PRIEM.  
Democratic Candidate for Councilman From the First Ward.

Robert G. Priem, Democracy's candidate for Councilman from the First Ward, is a lifelong resident of this vicinity. His boyhood was spent in and near Elkhart, Indiana, and his early education was acquired in the public schools there. In 1901 he came to Mishawaka and entered the employ of the Dodge Manufacturing Company in the capacity of machinist. Being ambitious, he took up a course in Mechanical Engineering and upon its completion was promoted to the position which he now holds as one of the departmental foremen of the Dodge Company. Mr. Priem is also a member and director of the Dodge Club. He is a self made man in the highest sense of the term. During his twelve years' residence in the city he has made a host of acquaintances and is universally esteemed and respected. He is honest, intelligent and a hard worker for the city's welfare. In fact, he is in every way capable of fulfilling the duties of the office of Councilman of the First Ward and the voters of the ward can make no mistake in giving him their hearty support.—Advertisement.

## DODGE NIGHT AT CENTURY FRIDAY

Arrangements were made Wednesday with Manager George Senger by the Dodge club for a Dodge evening at the Century theater Friday, Oct. 31. At that time moving pictures of the last Dodge Field day at Springbrook park will be shown. The pictures, which were made by the Pathé people, are even better than the ones taken of the 1912 Field day and present many interesting scenes of the day. Practically all of the sporting events in the ball park were secured, together with the children's parade, clothes hanging contest and other stunts pulled off on the island.

Manager Senger has arranged for a \$200 special vaudeville act, and some surprises that are not being advertised. There will be three shows, the same as usual.

THE VOICE IS JACOB'S VOICE BUT THE HAND IS THE HAND OF ESAU.

Many sincere advocates of non-partisan city government who were enthusiastic in the independent movement before the primary have expressed themselves as being very much disgusted with the state of affairs that made Gaylor's nomination for Mayor inevitable.

When a test of strength was made at the conferences preceding the selection of a ticket it was found that Gaylor's four year campaign for the nomination had welded together all the parts of the old republican machine and many of the active bull moose workers. The result of this political frame up was a following for Gaylor that was sure to carry the primary. Men who were working for a real non-partisan ticket saw how hopeless a contest would be yet how suicidal from an independent point of view would be the nomination of a progressive or republican ticket. They did not want Gaylor and they don't want him now, but they saw on the ticket good men who are not bitter partisans as Gaylor is so they accepted the ticket for the sake of these candidates.

Now when it is a question of voting for Gaylor a partisan politician and nothing else, or for Mix, an efficient executive with valuable experience in city administration, hundreds of these independent voters will be consistent and will vote for a man who has no political debts to pay, no political ambitions to satisfy, only the best interests of the city to further—the real non-partisan candidate—Melville W. Mix.
